

MANUFACTURER SINCE 1900

# Naturelyn Gamme B

FRANCE

## Green alternative to petroleum jelly

# Naturelyn Gamme B

THE sustainable  
alternative to  
mineral petroleum  
jelly

100 % natural  
origin ingredients

Natural Origin Index: 1

Biodegradable

GMO free

An amazing base for all skin care  
creams, sun-care and cosmetic  
formulations

A wide range of textures

Similar performance to mineral petroleum jelly

## Added value

Aiglun is renowned for the high quality of its "traditional" mineral petroleum jellies.

Aiglun created Naturelyn with the same objectives of specification and performance requirements.

Naturelyn is an amazingly efficient, natural alternative to mineral petroleum jelly.

THE PURITY THAT MAKES THE DIFFERENCE

  
AIGLON  
GROUPE

**Naturelyn 120 B, 130 B, 500 B, 600 B,  
Naturelyn A B and Naturelyn L B are Cosmos certified.**

**The Naturelyn range is available in  
conventional vegetal origin Cosmos approved.**

**High purity ingredients:**

Pharmaceutical, cosmetic,  
and food contact approved

**For all your applications:**
