

CRÈME CHANGE - NAPPY CREAM - NAPPY ក្រែម

(FR) La Crème Change VistaFarma aide à préserver les fesses de bébé des irritations tout en l'hydratant. Sa formule à l'oxyde de zinc combiné à l'huile de tournesol et à la cire de carnauba apporte une barrière protectrice à la peau délicate de bébé et favorise la régénération de la peau en cas d'érythème fessier.

(EN) VistaFarma Nappy Cream helps protect baby's bottom from irritations while moisturizing it. Its formula, which combines zinc oxide with sunflower oil and carnauba wax provides a protective barrier to baby's delicate skin and helps skin regeneration in case of diaper rash.
